

Super G - Mini Green Grand Prix - UNDER 10's

The Gloucestershire LTA Under 10 Mini Tennis Green 'Grand Prix' is for players born **1997 or later**.

These events are lots of fun and give young players the opportunity to put all their hard work on the practice court to the test in a match within a friendly and safe environment. Each tournament is run by a responsible adult who will organise the match schedule.

These events are run on a similar format to football where you play for a set amount of time in each match. You will get the opportunity to play at least 3 matches. Matches are played on a full court using green balls.

All events are for both boys and girls who can hit on a full tennis court.

At each event you will gain points for playing and winning. At the end of the series we will take your best 3 tournament scores and the four boys and four girls (depending on entries) with the most points will be invited to represent Gloucestershire against Avon and H & W in the: **'Super G' Mini Green Grand Prix Finals which will be held at Oxstalls ITC on Sunday July 1st 2007 - more details nearer the time!**

PRIZES

At each event all players will receive a certificate and the top boy and girl will be awarded a gold medal.
